

Rebate Guidelines

1. Applicants must be submitted within 60 days of purchase date.
2. Rebates are only available to Lumbee River EMC members.
3. The rebated thermostat must be installed on a premise served by Lumbee River EMC.
4. The applicant must be the member of record for an active, non-delinquent account.
5. Rebate will not exceed the thermostat purchase price.
6. Rebates are limited to two per residential and multi-family members and up to six for new construction and commercial members, during the program year.
7. Copies of installer invoices and/or itemized purchase receipts, and the model must be submitted along with a completed application form.
8. Failure to provide required information may result in a denial of rebate.
9. Rebates are awarded on a first-come, first serve basis until program funds have been depleted.
10. Lumbee River EMC reserves the right to amend or discontinue this program without notice.
11. Rebates are only available for programmable thermostats purchased on or after March 1, 2010.

PROGRAMMABLE THERMOSTAT REBATE APPLICATION FORM

Lumbee River EMC members are eligible for a \$15 rebate after the purchase and installation of a programmable thermostat. The purpose of this program is to reduce the cost of these thermostats to make them affordable to as many members as possible, and to increase member awareness of energy efficient products. In many cases, the purchase and installation will result in long-term energy savings and increased comfort. **Certain restrictions apply: see Rebate Guidelines.**
